did you know?

From David Beckham to Lionel Messi via Adidas has always been associated with some of the biggest names in football.

It is not just superstar players that they are partnered with, though, as a distinctive three-stripe design is also heavily linked to some of the most successful club and international teams on the planet.

Music and the sports culture have been intertwined creating the ultimate cultural statement.

mission.

TO BE THE BEST SPORTS BRAND IN THE WORLD!

Sustainability is an integral part of the adidas philosophy and the company. For the first time in 2021, adidas used more than 60 percent recycled polyester in its products. From 2024 onward, adidas is committed to using only recycled polyester.
