THE EYEWEAR FACTS

The Spring Summer 2025 Eyewear Release is divided into 3 collection clusters: Essential, Commercial, and Icon, which are respectively described as Preppy, Modern Sportswear, & Heritage.

The Diamond G logo is a nod to the small diamond with a “G” that was stamped on the tail of GANT shirts. This mark was the customer’s assurance of quality just as much as the retailer’s label inside the collar.

In select styles, a Premium Integrated Hinge unfolds to reveal 13 stripes, a tribute to the American flag and Gant’s American heritage.

Key collection icons include a Diamond G foil logo, GANT striped logo, collegiate shield logo and dual color temple tip.
